

Join Us In Honoring Lacey's First Physician

May 17 • 2:00 p.m.

Dr. William Ehlers
Lacey's First Resident Doctor

Over 34 years ago, Dr. William Ehlers answered an ad calling for a resident doctor for the community of Lacey. He came with his family to serve this new community and since 1953 has played an integral role in the growth and development of Lacey. He has served as President of the St. Peter Hospital Medical Staff, worked with the Community Care Clinic, is a charter member of the Lacey Area Chamber of Commerce, has served as Chair on the Board of Capital Development for twenty years, and is past Director of Capital Investment Securities. Throughout the years, Dr. William Ehlers has served his community as a dedicated physician from his office in Lacey and is still in active practice. Civic and business leaders alike salute Dr. Ehlers' continued dedication and commitment to his community and its residents.
