PLEASE JOIN US!!!

The Lacey Historical Society is actively recruiting you and your family to become annual members of their organization.

Throughout the year, the Society provides periodic newsletters and information about events in the greater Lacey community. At the present time, the Society is working very hard to bring a Children's Museum to our community and is working closely with our local schools to encourage a stronger tie between our history and our future. Children in our schools are becoming more aware about their community and their past due, in part, to the Lacey Historical Society and it's programs.

The Washington State Centennial Celebration is less than one year away and, with your support, the Lacey Historical Society will be instrumental in making sure that Lacey residents and their children will celebrate our community's history during that very special time.

Please complete the form below and submit that form with your donation of \$15 for families, \$10 for individuals or \$5 for senior citizens and students to the address listed on the form.

We deeply appreciate your interest, your support, and your commitment to making the Lacey Historical Society and your community's historical program more successful.

The Lacey Historical Society is recognized by the Internal Revenue Service as a non-profit organization under the 501 c. 3 regulations of the IRS Code.
