AUGUST 1997

WHAT: OLD LACEY SCHOOL REUNION

WHEN: SEPTEMBER 7, 1997

WHERE: MOOSE LODGE

TIME: NOON - 4 PM  
(Potluck Begins at 1 PM)

This year, our reunion brings together the "family" of those who belong to the Old Lacey School. This event takes place on a two-year cycle and is sponsored by the Lacey Historical Society.

Past Old Lacey School reunions have been noted for their "conversations." Everyone is glad to see each other but, then, we have to "catch up" since that last reunion in 1995.

The Lacey Museum's curator, Andrea Hein, has collected school photos from 1892 to 1960. She has been able to identify many of the students and teachers pictured in the photos. However, there are many who are not identified. She is asking your help in recognizing these "mystery" early Laceyites. Also, this is a good time to discuss other historical events and artifacts with her.

We are very pleased that the Moose Lodge has invited us to use its new quarters for this year's gathering. Please be aware the Lodge is located on Pacific Avenue; entry to its parking lot is at the EAST side of Lodge building. The exit is at the WEST side.

**PRESIDENT'S REPORT:**

**People:** The newly retired Bill Bush, who served for 23 years on the Lacey City Council, has had the honor of being named to one of Lacey's three new parks recently. Bill's park can be found beside the Yelm Highway between Indian Summer and Heritage Bank. We also welcomed Bill into our Society upon his retirement. His honorary membership brings our present total membership to 97. We want to thank Peggy McHugo for the purchase of two LHS family memberships as birthday gifts for members of her family. What a great idea!!

**Places:** The two Lacey Historic Neighborhood traffic markers are now complete! The city of Lacey has installed long-awaited ornamental lights. One of the lights is located behind the brick monument at the head of Lacey Street. The other light is behind the river rock and brick monument at the head of Ulery Street. Complimenting both markers is the landscaping of impatiens done by the City of Lacey, Department of Public Works.

Those remembered honorees of 1996 are:

At the Lacey St. monument - Gene Dzedzic; Gordon Gale; and Dan Morgan

At the Ulery St.  
 circle monument: Emily Walsh; Annabelle Webb;  
 Joe & Ruth Nottage; Marvel Mary Rice  
 monument below the circle: William Ulery; Pete & Helen Finnegan; Jim & Agnes Trolia; Johnny Lewis
